BLAKE SUDDATH

THE #1 REAL ESTATE RECRUITER IN THE USA

Founder of Inner Cirql Coaching and the Territory Takeover System. Inman Connect speaker. 20 years in marketing and branding.

BIO

Blake Suddath is regarded as the **#1 real estate recruiter in the USA**. He is the founder of Inner Cirql Coaching and the Territory Takeover System, the system he built to help team leaders and broker owners recruit 5 to 10 experienced agents a month.

Before real estate, Blake spent 20 years in marketing and branding. Then he built and ran his own sales teams, and found his calling in recruiting. He will be the first to tell you it is not about agent count. Culture and community come first, because great people build great companies.
